How to Use This Book

A quick guide to getting the most out of your season journal

1 Game Tracker

Use one page per game. Fill in the teams, scores by quarter (or half for college), and jot down the key plays that made the difference.

2 Playoff Brackets

Fill in the teams as they advance through the playoffs. For pro leagues, track each best-of-seven series game by game.

3 Standings & Stats

Update team records regularly. Track your weekly picks and see how you perform against the experts.

4 Tournament Bracket

Use the bracket to fill in all 64 teams and track every upset and Cinderella story.

PRO TIP

Keep this book handy while watching games. Fill in the scores as they happen, then add your notes after the final buzzer. By season's end, you'll have a complete record of your basketball year!
