How to Use This Log Book

A quick guide to getting the most out of your golf journal

1 Round Scorecards

Use one page per round. Fill in par, yardage, your strokes, and putts for each hole. The Front 9 and Back 9 tables give you a clean scorecard for all 18 holes.

2 Round Statistics

After each round, log your fairways hit, GIR, putts, penalties, and sand saves. Over the season, these numbers reveal exactly what to practice.

3 Club Distances

Fill in your average carry and total distance for every club. This chart helps you make confident club choices on the course.

4 Course Log & Handicap

Record every course you play with its rating and slope. Track your score differentials to monitor your handicap progress all year.

PRO TIP

Fill in your scorecard right after each hole while it's fresh. Note what went well and what didn't. By season's end, you'll see exactly where to focus your practice for next year!

Golf Game Formats & Betting

Common games to play with your group

★ **Match Play**

Lowest score on each hole wins that hole. Match is won when one player is more holes up than holes remaining.

★ **Stroke Play**

Total strokes for the entire round. Lowest total wins. The most common format.

★ **Skins**

Each hole is worth a skin. Lowest score wins it. Ties carry the skin to the next hole.

★ **Nassau**

Three separate bets: front 9, back 9, and total 18. Each can be won or lost independently.

★ **Best Ball**

Each player plays their own ball. The best score on the team counts for each hole.

★ **Scramble**

All team members tee off, pick the best shot, and all play from there. Repeat to the hole.

★ **Wolf**

Players rotate as the Wolf who chooses a partner (or plays alone) after each drive.

★ **Stableford**

Points by score per hole: eagle (4), birdie (3), par (2), bogey (1). Highest total wins.
