

Wedding Planner

*Your Complete Guide
to the Perfect Day*

MORE SHINE PRESS

* Your Wedding Companion

This planner guides you through every step of your wedding journey, from the first vision to the final toast. Whether you have a year or three months, staying organized is the key to enjoying the process and creating the day you have always dreamed of.

* The Two-Page Vendor Spread

Each vendor or planning category uses a **two-page spread**. The left page captures the essentials: vendor type, company name, contact details, appointment dates, quote amounts, deposit status, and a rating. The right page is for your notes: what they offer, questions to ask, comparison details, and your overall impression.

* The Milestone Review

After every 5 vendors, a **milestone review page** helps you step back and reflect: what is decided, what still needs attention, how the budget is holding up, and how you are feeling about the big day.

* Additional Sections

- **Wedding Overview** -- your date, venue, colors, and theme at a glance.
- **Budget Summary** -- track spending across every category.
- **Guest List Manager** -- manage addresses, RSVPs, and dietary needs.
- **Seating Arrangement** -- plan table layouts and guest placement.
- **Day-of Timeline** -- minute-by-minute schedule for the wedding day.
