

Plan smart. Build with confidence. Whether you are remodeling a kitchen, updating a bathroom, or tackling a full home renovation, this planner keeps every project organized -- scope, materials, budget, contractors, and progress all in one place.

WHAT'S INSIDE

- 25 two-page project planning spreads
- Home overview page with property details
- Budget tracker with budgeted vs. actual costs
- Material and shopping list per project
- Contractor directory with license and insurance info
- Progress log and satisfaction rating per project
- Large 6" x 9" format for detailed planning
