

FOR PARENTS OF YOUNG ATHLETES

Give your young athlete the foundation they need to succeed — in sports and in life. This practical handbook gives you age-appropriate training advice, nutrition basics, and proven strategies for nurturing athletic potential without pressure or burnout.

WHAT'S INSIDE

- Age-by-age athletic development roadmap (ages 6 to 18)
- Fundamentals of movement: running, jumping, throwing
- Warm-up and flexibility routines for young bodies
- Sport-specific training tips for 9 major sports
- Nutrition and hydration guidance for growing athletes
- Injury prevention and safety essentials
- Mental toughness and confidence-building strategies
- Parent's guide to balancing support without pressure

“Train up a child in the way he should go, and even when he is old he will not depart from it.”
