How to Use This Journal

There is no right or wrong way to grieve

A GENTLE REMINDER

This journal is your private space to remember, reflect, and heal. Write as much or as little as you wish. Skip pages that do not feel right and return to them when you are ready. There is no timeline for grief — only the journey of honoring the love you shared.

SECTION 1 — MY CAT'S STORY

Record the story of your cat's life: how you met, their personality, habits, and the home you shared together.

SECTION 2 — FAVORITE MEMORIES

Capture the moments that made you smile, laugh, and love deeply. Each spread gives you space for a photo and a treasured memory.

SECTION 3 — PHOTO GALLERY

Frame your favorite photographs alongside captions that tell the story behind each image.

SECTION 4 — LETTERS & REFLECTIONS

Write letters to your cat and reflect on what they meant to you. Let your heart speak freely.

SECTION 5 — THE FINAL GOODBYE

Honor the farewell, the legacy of love, and the ways your cat will always be part of your life.

SECTION 6 — NOTES

Open space for anything else you wish to write — poems, quotes, drawings, or thoughts.
