

Family Recipe Journal

*A Heirloom Cookbook to Write Down
Your Best Recipes*

MORE SHINE PRESS

Your Kitchen Legacy

This recipe journal is designed to preserve your family's most treasured recipes in one beautiful book. From Grandma's secret sauce to your own weeknight favorites, every dish deserves to be written down and passed on.

Each Recipe Gets Two Pages

The **left page** is for the recipe name, who shared it with you, prep and cook times, servings, a difficulty rating, a star rating, and the full ingredients list with handy check boxes.

The **right page** is for step-by-step directions, notes and tips, and the date you last made the dish.

Using the Index

The recipe index at the front lets you list every recipe by name and page number, so you can find any dish in seconds. Fill it in as you add recipes.

Tips

- Write the recipe name on the index page first, then note the page number where the recipe begins.
- Use the check boxes next to each ingredient as you gather and measure — great for mise en place.
- Note substitutions and variations in the notes section.
- Pass this book on to the next generation someday.
