

Meal Planner & Grocery

52 Weeks of Healthy Eating Made Simple

MORE SHINE PRESS

Plan Once, Eat Well All Week

This planner is designed to make meal planning simple and stress-free. Each week, you get a **weekly meal plan** spread where you can map out breakfast, lunch, and dinner for all seven days, plus snacks and water intake tracking.

On the facing page, you will find a **grocery shopping list** organized by section of the store — produce, meat and seafood, dairy, pantry, frozen, and more. Tear it out or take a photo before you shop.

Simple Steps Each Week

- ① Check your calendar — note any busy nights or eating-out plans.
- ② Plan meals based on what you already have and what is in season.
- ③ Write your grocery list from the meal plan.
- ④ Shop once, prep what you can, and enjoy a week of easy meals.

Tips for Success

- Plan leftovers intentionally — cook once, eat twice.
- Keep a well-stocked pantry with basics like rice, pasta, and canned goods.
- Plan a mix of quick weeknight meals and bigger weekend projects.
- Use the notes section for recipes to try next week.

 Your Starter Pantry

Check off the items you like to keep on hand. These staples form the foundation of countless quick and easy meals.
