

Dog Training & Puppy Journal

Your Companion from First Day to Best Friend

MORE SHINE PRESS

Welcome to Your Puppy Journey

Bringing a new dog home is one of life's great joys. This journal helps you track training progress, milestones, health, and all the little moments that make the journey memorable.

Training Philosophy

Dogs learn through **consistency, patience, and positive reinforcement**. Keep training sessions short (5-10 minutes), reward good behavior immediately, and never punish a dog for not understanding. Every dog learns at their own pace.

How to Use This Journal

- Use the **dog profile** page to record your dog's details.
- Log **weekly training sessions** with commands, progress, and notes.
- Track **milestones** like first walk, first vet visit, house training.
- Keep a **health record** for vaccinations, weight, and vet visits.
- Use the **command tracker** to see which skills your dog has mastered.
