Capture Every Journey, Every Memory, Every Adventure

MORE SHINE PRESS

Your Travel Companion

The world is full of incredible places waiting to be discovered. This journal helps you plan your trips, record your experiences, and preserve your travel memories for years to come.

The Trip Log

Each trip uses a **three-page spread**. Page one captures the essentials: destination, dates, companions, transportation, and accommodation. Page two is your daily itinerary planner. Page three holds your memories, highlights, food discoveries, expenses, and reflections.

Tips

- **Write daily.** Even a few lines keep memories vivid.
- **Note the food.** Meals are often the best memories.
- **Sketch or paste.** Ticket stubs, receipts, leaves — all welcome.
- **Track spending.** The expense log helps you budget future trips.
